10 Life-Changing Books To Read in Your 20s | SingledOut by ...

Books are a form of art which present life from another person's perspective. A book can transport individuals to faraway places, transform them into better human beings, or inspire readers to become writers who would keep this process going. If you want to bring a change to your life, here is a list of 10 books to read in your 20s.

Change Your Thinking, Change Your Life - Clive

9 Preface I started writing this book in 1997. Having completed a sizeable chunk of the manuscript, the project went onto a back burner. Partly because a Publisher read the draft

The Life Change List

Clarifying Values and Making Life Changes Please take as long as you need to read through and carefully consider the

important questions that follow. Then complete the written section that follows. (Note: this exercise is from a book on 'confidence', but feel free to change the key word. For example, if you are searching for 'happiness' or 'self-esteem', then substitute the term ...
