Corporate Spin Offs: Four Essential Compliance Steps - CT

The execution of a corporate spin off is a multifaceted process, beginning with the board of director's determinations of the reasons for the spin off and how to effectuate it, such as creating a new corporation to absorb the assets and business of the spun off company, or separating the two existing entities into independent public companies.

Learning about Internal Capital Markets from Corporate ...

from Corporate Spin-offs ROBERT GERTNER, ERIC POWERS, and DAVID SCHARFSTEIN ABSTRACT We examine the investment behavior of firms before and after being spun off from their parent companies. Their investment after the spin-off is significantly more ... Understanding how internal capital markets work is important for two reasons. First, the ...*

Entrepreneurship: Concepts, Theory and Perspective ...

(independent) and the "corporate entrepreneur" who, without participating significantly in terms of capital, controls the firm. Studying offers of business capabilities requires the differentiation between the functions of entrepreneur, manager and capitalist, although in many cases, the same person may perform all three (table 1).

The activist revolution - J.P. Morgan

(3) Corporate clarity: The target should divest or spin-off one or more divisions or assets, thereby creating several more focused entities and allowing each entity to be properly valued by the market. Corporate clarity campaigns have surged over the last few years. For example, over 2009-2012 there were only 3 campaigns focused on real estate.

Spin-off Solution / Separations and Mergers & Acquisitions ...

Our experience includes some of the largest and most complex spin-offs in recent years. Bain-supported spin-offs have outperformed non-Bain-supported spin-offs by an average of 20%. We customize our approach based on an understanding of your business and situation. Note: A spin-off is a public listing of a part of the business, with shares of the newly created company distributed to shareholders.
