Strangers in our midst: The political philosophy of ...

David Miller's political philosophy of immigration provides an accessible, informed, and thoroughgoing defence of immigration control by liberal democratic states, guided by values of weak cosmopolitanism, national self-determination, fairness, and social integration. The 'strangers in our midst' are immigrants and refugees that do not yet, and may or may not get to, officially join the ...

Strangers in Our Midst — David Miller | Harvard University ...

Economists and human rights advocates tend to downplay the considerable cultural and demographic impact of immigration on host societies. Seeking to balance the rights of immigrants with the legitimate concerns of citizens, Strangers in Our Midst brings a bracing dose of realism to this debate.

Strangers in Our Midst: The Political Philosophy of ...

Enhanced PDF; Standard PDF (48.5 KB) In this book, David Miller aims to provide a framework for just immigration policies attuned to what he sees as the values that shape our contemporary political condition: weak moral cosmopolitanism (immigrants have human rights), national self-determination (nations have special ...

Strangers in our midst: The political philosophy of ...

permitted to enter our political community and share in our national identity. Compatriot partiality involves commitment to the myth-laden character of national identity, resting on associative obligations we have to fellow citizens in light
