We Re About To Build For our example here, we're going to create a PDF from one a text file. That's not something you're likely to do, but it's a simple way to show the process using the default Windows Print window. It's going to look a bit different depending on the app from which you're printing, but the process is pretty much the same no matter what the source. Sun, 23 Jun 2019 21:45:00 GMT

Builder changed plans without telling us and we're unhappy ...

Hi there We've recently had an extension built and the plans specified a solid concrete sub-floor. However the builder changed the plans and installed a floating wooden floor without telling us, after they discovered that the rest of the house was serviced by air bricks.

See how we're building a sustainable campus

We're building an all-electric campus, eliminating the use of fossil fuels within our buildings for powering, heating, and even cooking. Reducing embodied carbon: Microsoft has been 100 percent carbon neutral since 2012, but we're pioneering new ways to further reduce our carbon footprint in the rebuild, particularly in the area of embodied carbon. We're the first large corporate user of ...
